WORK AND VOLUNTEER EXPERIENCE

Intern | Group for Research in Applied Economics, Warsaw, Poland

OCTOBER 2017–PRESENT

I developed my analytical skills during research about the influence of culture on the gender wage gap among immigrants. To my responsibilities belongs mainly data preparation and harmonization as well as written a short article. I also engaged in data collection about the fertility and legalization of contraceptive pill.

Intern | Guest Ready – Paris, France

AUGUST 2017 – SEPTEMBER 2017

The internship was very relevant to my choice of career path. I was engaged in process improvement of the operations and I assisted in merger between Easy Rental Service. I had an opportunity to work in multicultural environment that helps me to improve the level of my English as well as French.

Guide | Mazurkas Travel – Warsaw, Poland

AUGUST 2016

As a guide, I had an opportunity to promote Poland, broaden my knowledge about the world and practise foreign languages.

Accountant Assistant | Chassorbis Polska – Warsaw, Poland

JULY 2016

During this internship, I was responsible for the administrative support and preparation of financial reports.
